The programmes and teaching at Lloyd Street School support and promote the principles and practice of Australian democracy, including a commitment to:

- elected government
- the rule of law
- equal rights for all before the law
- freedom of religion
- freedom of speech and association
- the values of openness and tolerance.

Aims:

The aim of this policy is to outline the values of our school community and explain the vision, mission and objectives of our school.

This policy outlines our school's vision, mission, values and expectations of our school community. This policy is on our school website, through the Compass portal, as part of staff induction and in enrolment/transition packs.

To celebrate and embed our Statement of Values and Philosophy in our school community, we

- provide recognition for students who actively demonstrate the values
- discuss our values with students in the classroom, in meetings and at assemblies.

Our Mission

Lloyd Street School aims to develop the individual talents of students and teach them to relate the experience of the classroom to the realities of the world. Beyond intellectual rigour and high academic standards, strong emphasis is placed on the ideals of international understanding and responsible citizenship. Students are encouraged to become critical and compassionate thinkers, lifelong learners and informed participants in local and world affairs. Students will be conscious of the shared humanity that binds all people together while respecting the variety of cultures and attitudes that makes for the richness of life.

In partnership, our school and community aim to provide a safe and stimulating environment, which is conducive to active successful learning experiences. The school is responsive and proactive in managing change and has a positive atmosphere where parents, staff and students work together to nurture a love of learning.
